
CLOSE ANCESTRAL OPEN DOORS

(EXCERPT 'VICTORY OVER DARKNESS' BOOK)

Pr. Bola Olivia Ogedengbe

If you recognise any of the access doors mentioned in the programme in your life, you need to go before the Lord for release. You may follow these simple steps.

1. PRAYER FOR REVELATION.

Ask the Lord to reveal everything you need to know about your family and your past which could be trying to influence your life today. Ask Him to reveal generational sins, curses and wickedness.

2. PRAYER OF REPENTANCE.

Ask forgiveness from God for idolatry and ancestral unbelief by saying a prayer of identification.
Confess generational sins.
Remember what Nehemiah did when he was informed that the gates of Jerusalem were burnt down and the people were in distress. He was stung to the core. He wept before the Lord and repented for his people saying that he and his father's house had sinned. We should do the same. Your ancestors may no longer be there to repent and those still living may not even be inclined to repent. Do it on their behalf.

3. PRAYER OF FORGIVENESS.

Forgive anyone who caused you trauma, or abuse. Forgive those who put you through rejection, violence etc, whatever it is you have suffered.

4. RENOUNCE THE VICTIM MENTALITY.

Pray and renounce the victim mentality. Declare that you are not a victim and you refuse to see yourself as a victim.
Ask to be released from the pain associated with the memory. Then say a prayer of consecration like the one below.

5. PRAYER OF CONSECRATION.

Father, in the name of Jesus, I believe that Jesus is the son of God, I give myself to Him, body, soul and spirit. I repent for my sins, and all my shortcomings, Father, I ask you to forgive me. I ask you to save me, I give you my life, I will serve you and I will follow you.I invoke the blood of Jesus to cleanse me, purify my lineage and separate me from the effects of the sins of my ancestors, those I know and those I don't know yet.

6. PRAYER OF REVOCATION.

In Jesus name I revoke any permission, authorization, license, given to Satan and the powers of darkness by my ancestors, by spiritual authorities or by anyone to invade and ravage my life. I declare them null and void, in Jesus name.

Father, wash me, cleanse me, gives me a new beginning. Let every evil deposit, curse, and iniquity affecting my life negatively by removed by the blood of the Lamb.
Let the consequence of the actions of my ancestors be broken off my life, in the name of Jesus.

I decree the full authority of Jesus, over my life. In the name of Jesus. Amen! Glory to God.
Thank you Father, for your deliverance.
